Director's Meeting

Friday, 2 May 1952

PRESENT: General Smith, Messrs. Wolf, Becker, Hedden, [REDACTED]

25X1

General Smith:

a. Asked [REDACTED] to advise [REDACTED] that he had received a call from Sam Pryor concerning the crash of the Pan Am plane in Brazil, indicating that the wreckage was strewn all over the lot and had earmarks of sabotage. In this connection, Pryor had asked whether we desired to send any of our people to the scene of the wreck to participate in the investigation. The Director went on to say that he had advised Pryor that we did not; however, Pan Am was sending us a copy of the passenger list for our information from the C. E. standpoint, since there were quite a few notables aboard.

b. Briefly discussed the "whereas" the New York Federation of Women's Club proposed to introduce at their forthcoming meeting and noted the information contained therein was apparently obtained from a letter Adm.
